Check out the fine finishes in the ranch style home! The pictures speak for themselves! Walk in the front door to a large living room with a slider to the wraparound deck, wood fireplace, vaulted skylight and beautiful crown molding. The kitchen features loads of cabinet space, tile backsplash, hardwood floors and a slider to a wraparound deck. The main floor also features a nice bedroom and full bath with tile floors, double vanity, walk-in shower and a deep tub. The master bedroom has tons of closet space and windows galore for natural light. The master bath was recently added with tile floors, large vanity and a gorgeous tile walk-in shower. The basement is partially finished and would not take much to complete. Walls are already in place for a large family room, storage, utility room and a bedroom without egress. Located on a quiet cul-de-sac as well! Don't miss out on this one!
