Check out this 2 plus bedroom, 1.75 bath ranch style home in Elk Point! The spacious kitchen boasts tons of storage and prep space and shares an open concept with the dining. The living room opens to the dining and has tons of natural light through a big picture window to the back yard. The main floor features a large master bedroom, second bedroom and a 3/4 bath. Don't forget the second living room off the dining with lots of natural light and a door to the back deck. Downstairs has a large family room, two dens without egress and a full bath recently remodeled. The oversized double garage could double as a workshop since it is 32 feet deep. Don't miss this one!
