Here is a home in immaculate shape with tons of updates! Painted exterior, new HVAC in 2017, new water heater in 2021 and much more. Abundant natural light beams throughout this entire home. The main floor boast a large living room with ample natural light and a vaulted ceiling. The kitchen and dining share an open concept with a slider to a wood deck. Three main floor bedrooms all with double closets share a full bath with vinyl floor and a fiberglass tub surround. Don't miss this lower level with an awesome family room that has three large garden view windows and a charming gas fireplace. The 4th bedroom has a large closet and sits just off a full bath making this room feel like its own master retreat. The laundry room is finished with two large closets. The two stall garage has epoxy floors, heater and finished as nice as one can be. The exterior landscaping boasts curbed edging, mature trees and landscaping, a 10X12 shed with lots of shelving, and a sprinkler system throughout the whole yard. Just off the garage is a large concrete pad for extra off street parking. Don't wait on this one!
