Updates galore in this charming, 4 bedroom, 2.25 bath ranch style home! Walk in the front door to a spacious living room with lots of natural light. Luxury vinyl plank runs throughout the living room, dining and kitchen. The kitchen has ample cabinets and prep space with a peninsula and movable island. This kitchen is sure to impress with its painted white cabinets that have soft close drawers and doors along with matching GE stainless steel appliances. Just off the kitchen is a screened in porch that leads to a large concrete patio perfect for enjoying a fire on a cool summer evening. The dining is open to the kitchen and living and also has a large window overlook a well manicured lawn. Also on the main is a bedroom, full bath and master bath with double closet and a private half bath. You'll be greeted to the basement by custom stairs with under stair lighting and opens to a large family room. The laundry is fully finished with painted epoxy floor and a wash sink. The bedroom at the bottom of the stairs has an egress window and walk in closet. The second bedroom in the basement also has an egress window and walk in closet. The 3/4 bath has been updated with vinyl plank floor and a glass surround corner shower. The furnace was updated in 2023. Enjoy a maintenance free exterior with vinyl siding, Pella windows and a newer roof. The yard and landscaping have also been updated with a new sprinkler system and plants such as a grape vine, asparagus, strawberries, raspberries, hostas, hydrangea tree, lillies, ornamental grasses, rose bushes, shrubs, peony, and lots of perennial...
