Check out this 4 bedroom, 3 bath ranch style home! Need space and storage? Both are abundant here! Walk in the front door to the family room with a large picture window, fireplace and tons of natural light. The spacious kitchen boats lots of storage, tile floor and stainless steel appliances. The cabinet pantry has custom spice racks and plenty of shelf storage. The built in desk fits perfectly between the kitchen and dining. Just off the dining is a 4 season room with lots of natural light. The master bedroom has an updated full bathroom and a large walk-in closet. Two main floor bedrooms share a full bath. Downstairs boasts a large family room with a gas fireplace. The two dens are perfect for craft, workout or an office. The fourth bedroom in the basement has a closet and egress window. Don't forget about the oversized two stall garage that is 30' deep. The private back yard has a large wood deck and a storage shed.
