Enjoy the perfect blend of country living and modern updates with this recently remodeled acreage just outside Elk Point. The entire home was thoughtfully remodeled in 2024, offering a move-in ready property with quality upgrades throughout. This spacious 5-bedroom, 3-bathroom home features a comfortable layout, including a master suite with a large tile shower and large walk-in closet. Major mechanical updates provide peace of mind, including a new furnace and heat pump A/C unit installed in July 2024, complete with both a humidifier and dehumidifier system, along with a new Marathon water heater 2023. The property has also seen significant exterior improvements. A new metal roof and gutter leaf guards were installed in 2024. A new well was also installed in summer 2025, along with a new automatic irrigation system watering a large portion of the lawn. The outdoor space has been enhanced with a new sidewalk from the front of the home to the backyard, leading to an expanded patio and fire pit area—perfect for relaxing or entertaining. A variety of fruit trees and perennial plants have been added to the landscaping throughout the property. This acreage also lends itself to be the perfect hobby farm with perimeter fencing, an automatic driveway gate, 5-bar pipe fence, and a Ritchie automatic livestock waterer. This well-maintained acreage offers modern updates, functional outdoor improvements, and plenty of space to enjoy rural living just minutes from Elk Point.
