Rare Elk Point acreage! A new roof was just installed as well as new gutters! Check out this 5 bedroom, 1.5 bath home sitting on 2.5 acres on a hard surface road! Don't let the exterior fool you on this one. It's much bigger on the inside than it looks from the outside! Just inside the front door you'll find a spacious living room with a large picture window providing ample light. Just to the right of the front door is a cozy sitting room with a large picture window and slider to the wood deck giving this space the feel of a sunroom. Also on the main floor is a large laundry room and the formal dining with a great view of the back yard. The eat-in kitchen has ample cabinet storage and prep space with the appliances included. The half bath is also conveniently located just off the kitchen and sitting room. Upstairs hosts all 5 bedrooms with each having oversized closets and share a full bath. The 16X14 addition off the back is perfect for storage with direct access to the kitchen. This acreage has it all with newer vinyl siding, updated vinyl windows creating a maintenance free exterior. The furnace and Bosch heat pump were replaced in 2022. A mature shelter belt and a large number of spruce trees provide great protection from the winter winds. This property sits just 2 miles from the Missouri River and a state recreational area locally known as Burbank Beach. Don't wait on this one!
