Wow! Acreage buyers look no further! This 4 bedroom, 2.5 bath ranch style home on 10 acres is sure to impress. All new throughout! Completely remodeled down to the studs and an all new exterior as well. The spacious kitchen has a peninsula with seating for 4 and a large walk-in pantry. The dining and kitchen share an open concept. Two main floor bedrooms share a 3/4 bath with tile floor. One of the main floor bedrooms has a large walk-in closet. The master bedroom features a walk-in closet and a full master bath with double vanity and linen storage. Downstairs has a large family room, second kitchen, and a bedroom. The 3/4 bath in the basement has tile floors and a tile walk-in shower. Storage galore throughout this entire house. The 900 square foot, oversized garage has a second entry to the basement as well as an attic with tons of storage or finish potential. This attic would make the perfect craft room or man cave! Enjoy the serene beauty of this property's 10 acres of abundant wildlife and nature. Plenty of room to expand an already large garden or fence off the grass for a perfect hobby farm. Don't miss a perfect acreage with all the updates already done!
